

Honor Roll

*Elgin A & AB
Honor Rolls*

Your Children Are Special!

Dr. English is proud of them!

Dr. Karen English has provided outstanding medical care to children and adolescents of Elgin and the surrounding areas since 2003. She is very proud to publish the names of the outstanding students who have worked hard to be the best students they can be. Making the A Honor Roll requires a lot of hard work.

Dr. English hopes you will congratulate these great students when you see them!

*Comprehensive Care for Well & Sick
Children from Birth to Age 18*
